PITCH DEVELOPMENT FUNDRAISER

Oranmore Maree GAA One Club is launching Phase I of the Renville Project, our state of the art sports and community centre. All stages of planning permission for the project are now complete and work is due to commence shortly on Phase I of the development. Due to huge demands in the area (population of 10,000 and growing, 2,500 children in 5 local schools, 70 registered teams in the club or the equivalent of 100 teams with our Academy), these new facilities are vitally needed.

Phase I will primarily entail the development of the 4 pitches planned for the facility, including the full size 4G Astro. It is a €3m project - the €2.1m grant received by the club from the LSSIF grant will be used, plus an additional €900k that will need to be raised by the club.

Over 220 families have already made substantial donations to the project during the land purchase phase and we are now looking for donations for Phase I of the development, either by signing up to a \leq 30/month donation or a once off contribution of \leq 350 or more if you can afford it. All contributions of \leq 350 or more, including previous donations, will be offered a plaque on our Patrons Wall, which will be built in a prominent location on the Renville Grounds.

Donate to the project and have your name/family/loved one and your support for this great community project forever remembered on our Patrons Wall at this state-of-the art facility: Go to https://oranmoremareegaa.com/products to donate or scan the QR code below. Alternatively, donations can be paid directly to the Project Bank Account "Oranmore Maree GAA RSG", IBAN IE29BOFI90403477374983 Provide put your name in the "Receiver Reference" box and email/phone no. in the other details section.

Note: This is a Revenue approved capital project and tax can be reclaimed on donations up to 67% by the club for PAYE donors and up to 40% for themselves by Self Assessed donors.
